Morning, meet our guide at your hotel and transfer about 75 km North-west of downtown Ho Chi Minh City. to visit the famous Cu Chi Tunnels, which were once a major underground hideout and resistance base of Viet Cong forces during the two wars against the French and the Americans. The tunnels, entirely hand-dug, formed a highly intricate network of interlinked multilevel passageways at times stretched as far as the Cambodian border and totaling over 120 km in length. Its complexity was

beyond imagination containing meeting rooms, kitchens, wells, clinics, schools, depots, trenches and emergency exits all aimed for guerrilla warfare. The tunnels were deep and strong enough to withstand destructive bombings and self-contained enough to outlast prolonged sieges.

Afternoon, tour in the city starting first with the Reunification Palace, which was formerly the South Vietnam President's residence and symbol of the Southern Administration's reign until end of April 1975. Next, stop at Saigon Notre-Dame Basilica, a neo-Roman cathedral built over 130 years ago by the colonial French with materials entirely imported from Marseilles. Call in Sai Gon Post Office, a fine colonial building which was designed and built in the early 20th Century by the famous French architect Gustave Eiffel.
