

DISCOVER DISERT ISLAND OF CHE DAM & ENJOY FRESH SEAFOOD LUNCH HUNTED BY DIVERS - SIC TOUR (NEW)

Tour code: NHA -
Tour type: Discovery & Special interest
City: Nha Trang
Time: Full day (08.30 -17.00h)

Overview:

Our driver and guide pick you up at your hotel and transfer to the port where a canoe is waiting to ride you to an isolated island off the city of Nha Trang, surfing on the waves seeing ocean view, occasionally stopping to drop diving artisans to the sea, fishing snails, catching fish for your lunch today. To the island, you delight yourself in playing, swimming, playing sports, playing football or simply sitting or strolling around the island. Seafood lunch will be prepared from fresh ingredients caught from the sea by professional divers. You'll have lunch on the beach while chatting and enjoying seafood specialties. Listen to the guitar played by our guitarist. I believe this will be an unforgettable memory in your life

Noted: this tour should be booked in advance for a proper arrangement. It is rather suitable for a friend group or even big incentive & MICE group. Exact price will be advised upon request and we will customize extra service and quote price based on your enquiry. Please don't hesitate to contact our experts for greater details.
