

TOURS ESCAPE FROM HUE

1. OVERVIEW:

Palaces and pagodas, tombs and temples, culture and cuisine, history and heartbreak – there’s no shortage of poetic pairings to describe Hue. A UNESCO World Heritage site, this deeply evocative capital of the Nguyen emperors still resonates with the glories of imperial Vietnam, even though many of its finest buildings were destroyed during the war.

Hue owes its charm partly to its location on the Perfume River – picturesque on a clear day, atmospheric even in less flattering weather. There’s always restoration work going on to recover Hue’s royal splendor, but today the city is very much a blend of new and old as sleek modern hotels tower over crumbling century-old Citadel walls.
